PAKISTAN CHEMICAL MANUFACTURERS ASSOCIATION (PCMA)

Responsible Care® is the global chemical industry's voluntary initiative to drive continuous improvement in safe chemicals management and achieve excellence in environmental, health, safety and security performance. **PCMA adopted the Responsible Care® initiative in 2017.** As the leading industry Association, PCMA actively promotes and coordinates Responsible Care® and other voluntary chemical industry initiatives in Pakistan. It serves as the exclusive authority in the country authorized to grant the Responsible Care® logo to compliant members.

CEO DECLARATION OF SUPPORT FOR THE RESPONSIBLE CARE

Manufacturing Company Private Limited

A member of PCMA, is proud to pledge its support for Responsible Care®

As a signatory to the PCMA's Responsible Care Program, my company will actively work with PCMA to strengthen the Responsible Care initiative and is committed to:

- **A Corporate Leadership Culture**
- **Safeguarding People and the Environment**
- **Strengthening Chemicals Management Systems**
- **Influencing Business Partners**
- **Engaging Stakeholders**
- **Contributing to Sustainability**
- **Actively Support PCMA and Global Responsible Care Governance Processes**

In committing the company to Responsible Care®, I also agree to clearly demonstrate my personal commitment to the Responsible Care® program. I will set performance targets, allocate clear roles, responsibilities and accountabilities within the company and provide resources, training and management support to meet this commitment.
